SHARON'S CORNER

Dear Members,

Hello everyone! Boy have we gotten enough rain y'all or what? Feels like I'm Chicago again! Well the weather has been rainy but we are having a blast at the club! We just had the Superbowl tourney and 130 people came out for a fun time!

We have team play going on and I'm proud to say that the Thursday and Saturday guys are doing great! Keep it up guys! Or thataboys! We have a chance for both teams to qualify for the playoffs so good luck gentlemen!

On Saturday the 13th we have a lovely dinner planned for Valentine's Day. Call 831-4200 to sign up. The menu is on the cover of the newsletter. We hope you can come and join us! If not, we will see you at the next dinner!

We are going to Primm later this month! Call Dave in the Pro Shop if you want to go!

Right now I am helping my mom get ready for her 70th birthday party! Shhhhhhhhhhhhhhh! Don't tell anyone! She doesn't want anyone to know! HaHaHa! If you see her, tell her Happy Birthday!

We received the new golf carts! Too bad its been so rainy, we all haven't tried them out yet but we will have plenty of time for that! It should be pleasant from now on so I hope you will have time to visit your club soon! Don't forget we are punching the greens on March 20th and 21st so come out and play before then! Also we are OPEN on Mon February 15th for Presidents Day!

Enjoy Valentine's Day with your sweetheart!

As for me, I am looking forward to baseball season and my Cubs! Our member Mikey Schilling is the hugest NO Saints fan I have ever seen and his dream for a championship just came true! I hope that happens for me one day with my cubbies! Also since its the month of Love, thank you all for your kind and loving support. It helps me and motivates me so much every day! I appreciate you all very much and once again thank you! Love you all! As always, I will see you out on the course or in the clubroom!

Sincerely,

Sharon

SUPERINTENDENT'S MESSAGE...

We experienced a lot of winter damage on our greens because of cold weather. One of the reasons was that the variety of the bent grass seed we used was not resistant enough for the cold weather we experienced. We will be more careful when selecting the variety of bent grass seed in the future. In order to improve our greens we are going to top dress our greens with sand and seeding in the middle of this month. Also we are cleaning up our fairways with chemicals to eliminate all the weeds. So do not be surprised to see brown fairways for a little while. We will continue to prune trees throughout the month. I hope the weather improves so that we can have a greener course and have more enjoyable rounds. Keep healthy until next time.

Best Regards,

Young Ohr

Woman's Organization NEWS....

President's Message

Hello to everyone at Sundale. The winter is upon us but we can still play golf here in Bakersfield. It is the time of year for resolutions and we should all look to playing better by taking better care of our health and being more resolute to our game by practicing. We should also resolve to have fun, keep a good pace of play, and post all of your scores. The Sundale Ladies Club has many events coming up in the spring to look forward to, and we still have organized play every Wednesday and Saturday. I encourage everyone to come out and play and have fun. Check out the bulletin board in the ladies lounge to sign up.
