"Golf Quotes"

If you really want to get better at golf, go back and take it up at a much earlier age.

If your opponent hasn't played the course before, don't be a spoil sport and ruin all the surprises.

The score (or handicap) a player reports should always be regarded as his opening offer.

The game of golf is 90% mental and 10% mental.

Error must go somewhere. If your driver is hot, your putter is ice cold; if you can hit your irons, you will top your woods; if you are keeping your right elbow tucked in, your head will come up.

The secret of golf is, use your real swing to take the big divot, use your practice swing to make the shot, and always hit the do-over first.
