## SHARON'S CORNER

Dear Members,

Hope you all had a wonderful and happy New Year's holiday weekend! Got to see many of you at the club and it sounds like everyone had a fun time! We look forward to many more fun times at the club! It is nice to see so many members golfing in the chilly weather. You all are brave warriors and we thank you for being you! I guess all you need are some warm layers and a good hat! Once you start swinging, it is not so cold after all! So c'mon out and play a round or two!

If you do not feel like playing...Come over to the clubroom for a delicious hearty meal or a drink! It is so cozy in there! Good place to pass the time or watch a game. We have drink specials every weekend and it is always different! So think of us when you get hungry or thirsty, and thank you for supporting your club!

We are hosting a Sweetheart Dinner at the club for Valentine's Day on Saturday, February 13th in the Tavern. We will serving cocktails at 6pm and dinner will be at 7pm. We are serving Filet Mignon, and a romantic dessert! All for \$70 per couple! You can download the menu off of the website or you will see the signs posted around the club! We hope to see you at this very special event! Call 831-4200 or 831-4674 to sign up!

The men's club will hold their monthly tournament on Saturday, January 16th! As always, the format and sign up are in the Pro Shop! The computers have been updated with new software, so you can post your scores now. Check it out! It is pretty cool! The new golf carts are on their way, we should see them soon!

Superbowl Sunday is February 7th! We always have a 4 man member tournament on that morning before the game and this is a FUN FUN FUN tourney! Guests are welcome in that event so invite your family or friends for that one! As usual, details are in the Pro Shop.

Dave is planning his yearly Primm golf trip at the end of February. The dates are Sunday, February 21 through Tuesday, February 23rd. Details are in the Pro Shop or call 831-5224.

As for the golf course, the #11 men's tee box is now open and looks good. I know we had a tough punch in September and I assure you that we are doing everything possible to figure out what happened and to prevent it from happening again. We tried out a different hybrid of seed and we are going back to the seed we normally use for the spring aeration. In the meantime, we thank you for your patience and understanding with this situation. Our business is a lot like farming, and it seems we had a lackluster crop...I am confident we will have a good spring aeration. Thank you for being supportive members during this time. We realize you could be patrons at other clubs and we truly appreciate you choosing Sundale as your club!

The new year brings hope for the future as well as a sense of rebirth or starting over...In many ways, one is given a clean slate and it gives one the positivity that anything can happen, if you put your mind to it! With that mindset, we are going to work very hard, as usual, to give you a club and golf course that is to your satisfaction. Your positive attitudes and smiles help us get that goal done! And seeing you all often helps too! So when you have the time, come out and visit your club!

Sincerely,

Sharon

## SUPERINTENDENT'S MESSAGE...

Our Crew spent a lot of time in cleaning fallen leaves on tees and green banks in December. Now our eleven Men's tee is open and it took more than a month for the rye grass to germinate and the Bermuda sod to reroot because of very cold weather. I noticed much winter damage on our greens and we are working on the remedy as the cold weather slowly subsides. Your patience is much appreciated in advance. Once the weather gets warmer, the recovery of our greens should also be faster.

I am hoping for sunny days as soon as possible for our greens. The winter is almost over now, so keep healthy and play good until next time.

Best Regards,

Young Ohr
