SHARON'S CORNER

Dear Members,

Happy 4th of July! It's already here! And the weather is HOT! We are all trying to stay cool here at the club and it sure helps to have so many trees with shade so that our rounds of golf are a lil more tolerable...

If you have not been to your club in a while, where have you been? The golf course looks outstanding! Thank you to Mr Ohr and his crew for keeping up with the great work. The watering crew has been working to make sure that the course looks good and they are doing well. Thank you to Mr Ohr for allowing them to have such a big water budget! We all appreciate your efforts! Thank you!

The course looks amazing and we also have to thank all of the members for their contribution in keeping the course conditions nice. Thank you for fixing your ball marks and thank you for adhering to the rules of the course by keeping your golf carts and pull carts off of the tee boxes and the green banks. It helps so much in the long run...

We are signing up members every day and I hope that you all know that beginning on September 1st, we will be charging all prospective members a \$500 initiation fee, whether they are a past member or not. The door is closing and we want to get everyone in who wants to join by then. Please help me spread the word and let's get everyone on board. Thank you for your help and support.

The course will be open on Monday, July 5th, until 5PM. So enjoy your 4 day weekend and come out and play on Monday! The course and clubroom will be closed on Tuesday, July 6th.

Our 31st Annual City Championship will take place on the weekend of July 24th and 25th. The course will be closed until 2pm both days in honor of the largest amateur golf tournament in Bakersfield! Did I mention that it is also the BEST??? Dave does a superior job of running this tournament and if you have never come out to experience this fine event, please come on out if you have the chance. You will see some of the best amateur golfers in Bakersfield! A great time to come out is on Sunday when the leaders tee off. Call us at 831-5224 for more information. And if your SCGA handicap is 15 or less, this is a great tournament to play in. You can download an entry form through our website or call the Pro Shop. It takes a lot of work from everyone on our facility to execute this event and we are truly proud to host it every year. So I invite you to come and experience it with us in July.

We are staying cool at the club by hanging out in the clubroom! Come and have a drink with us or stop by for a delicious breakfast or lunch! We still have Happy Hour on Thursdays and Fridays, so stop by and visit your club!

A special shoutout to all the veterans at the club! Thank you so much for bringing me your photos so we could honor you on our Veterans Board! You all looked so handsome!

Until I see you, take care, stay cool, and try to visit your club when you can! Enjoy your 4th of July with your family and friends. See you in the clubroom or out on the golf course!

Sincerely,

Sharon

SUPERINTENDENT'S MESSAGE...

As a result of our staff's hard work, our greens are looking good and our fairways are getting better.

Also our watering crew is working hard to cover all the brown spots on fairways. I am hoping to get rid of all the bare spots on fairways this summer.

We worked hard on tree trimming all spring season, but they are growing fast.

To keep our greens and green banks in good shape, please keep your golf carts (riding or pull carts) away from greens and green banks.

This is your share of contribution toward the good playing condition of golf course.

Hot weather is here, so drink lots of water when you play and keep healthy until next time.

Best regards,
Young K. Ohr
Superintendent

President's Message

Hello to Everyone at Sundale,

Well summer is upon us and so far the weather hasn't been too hot. It is perfect for playing golf though. A big thank you goes out to all the ladies of team play for coming out and supporting the Sundale team. This was the best year ever as we missed playoffs by one and a half games. Keep up the good work girls! In August we will be playing South Valley Team Play and we need everyone to sign up for that. The new Board is now in place and I would like to thank all our past board members for all their hard work and dedication as this is what makes our club successful. Finally, I would like to commend the Ohr family for having the golf course looking so great. It is beautiful right now and everyone should be inspired to get out and play.

Play well, Linda Hoff. President
