SHARON'S CORNER

Dear Members,

Hello everyone! Is it hot enough for you yet? If not, don't worry, it is coming... In the meantime, enjoy the weather and the wonderful golf course my Dad's staff has maintained for you all! The clubroom still delivers some of the best food in Bakersfield and the Pro Shop can answer all of your questions regarding upcoming member tournaments and events! We are all here to help you have a great time. So depend on us and we will come through just for you! Whether it is a delivery on the golf course or a specific product need or even personal issues that come up in your life, we are here to serve your needs. All you need to do is ask us and we will see what we can do for you! We are your club! We are all here to help each other! That is why we all came here, isn't it?

We have a wonderful group of members...We have a wonderful new staff in place...We have additional members through the summer program...We have done a tremendous amount of work on the golf course...And now it is time to have some fun!

On Wednesday, June 23rd, at 5:30pm, we are hosting the 1st Annual CADDYSHACK tournament!!! It's a 5:30pm shotgun on the back nine and the course will be set up backwards. Yes, I said backwards. It's usually called a nightmare tournament. We are also having a dinner in the clubroom at 5pm before the tournament. LOOK OUT for the posters because they are hysterical and there is a dress code for the tournament! Your loudest, most obnoxious, colorful outfit that makes you remember the 70's and the original movie, that we all cherish so much! There is a prize for the best outfit and we will be showing the movie in the clubroom that week! So sign up for this fun event in the Pro Shop!

As I mentioned before, we have completed much work on the course and we have a ways to go. We have begun roping off the tee boxes and greens areas and we should be done in a week or two with the whole course. As a reminder, please keep your carts and pull carts off of the tee boxes. And away from the greens and green banks. As a rule, keep those carts on the cart paths when possible! That will help us keep this course looking good for the rest of our lives! Thank you for adhering to this rule. Thank you for fixing your ball marks. Thank you for filling in your divots! And thank you for supporting your club! Please try to remember, if you are good to the golf course, she will be good to you!

Thank you to all of the veterans, who have served and fought for our country. We honor you and your families for the ultimate sacrifice you all have made for us! Many of you have brought me photos of yourselves and we have placed them on our wall to honor you! Keep bringing me those photos, as we will keep the wall up until the 4th of July! Thank you again!

Our hours for the Pro Shop and Clubroom closing will extend until 7:30pm, Tuesday through Friday and 7am until 6:30pm on the weekends in the month of June! Our kitchen is open until 2:30pm, Tuesday through Friday and until 4:30pm on the weekends! We are trying to extend our kitchen hours during the weekdays and we will post up signs as soon as we figure it out...

SHARON'S CORNER (continued)

We still have Happy Hour on Thursdays and Fridays from 3:30pm-7:30pm!!! What a great deal, so c'mon over to us on those days for terrific drink specials! Thank you so much for supporting the restaurant and bar!

We have our regular scheduled Men's and Couples events. The signs are up! All you need to do is sign up to join them!

Our poker game is coming up...If you are interested, give your name to someone in the restaurant. I am looking at July 2nd at 7pm. I will let you all know.

Our summer membership is in full force and we have advertised heavily on the radio, which now includes KUZZ!

Look out for the radio spots! Our summer membership is from June 4th until August 22nd for only \$400! Tell everyone you know! Also our initiation fee is going to \$500, beginning September 1st, so anyone who needs to join, should commit before that date, or pay the initiation fee after that date. Let us get 'em on board soon.

The course looks outstanding and we have a ways to go but till then, enjoy what we have worked so hard to give to you. Appreciate it and thank you again so much for supporting our club and let us keep it going on and on and on...

As usual, I will see you out on the course or in the clubroom. My playing days have come to a halt. I get more satisfaction these days from working than I do playing golf! Anyways, you golf for me! All of you dear, sweet members. Do it for me!

Happy Father's Day to all of our fathers in the membership and on our staff! We will serve you all a great lunch special and we will have Happy Hour ALL DAY on Father's Day, which is June 20th! What a wonderful way to spend Father's Day, at your club! A special shout out to my own father, Young Ohr, our real GM and Course Superintendent! Dad, I love you and am so proud of the work that you and your staff have accomplished on our shoestring budget! You have done so much and we know you want to accomplish more, so go for it! Happy Father's Day!!!

Sincerely,

Sharon

SUPERINTENDENT'S MESSAGE...

This year, we are trying very hard to improve the condition of fairways. First we moved the irrigation heads to water the problem area and secondly we just applied the second application of fairway fertilizer in comparison to the normal year in which we apply only once.

We are really trying our best within the limit of our budget.

Also we fixed the cart paths as you probably noticed. We roped some problem area of our cart path.

Please keep your golf carts (either pull or riding carts) on the cart paths, so you will give chance to have nice green banks and greens.

Warm weather is finally here, so enjoy your rounds and keep healthy.

Best regards,

Happy Father's Day!
