November 2009

Dear Members,

Hello everyone! We are so happy to be able to bring back the newsletter to the club. It truly is a valuable and needed form of communication at the club. So thank you for your patience and although it is not in the original form, we hope you will enjoy the new format! In the future, you may download it off the website or pick up a hard copy at the office, pro shop, or clubroom!

In the spirit of Thanksgiving, we at Sundale Country Club hope that you have the most wonderful holiday with your family and friends. In these tough economic times, I think we all have learned to appreciate our loved ones even more! I know personally, I am so thankful to have my family. And I am so thankful to be a part of this club that I love so much. And we at the club are so thankful for all of you members. You have supported us through these hard times and from all of us we thank you all very much. We also want you all to know that as a team, we are working as hard as we can to do our very best for you. And we hope that with your patience, you will like the improvements that you will soon see at the club!

Happy Thanksgiving from all of us at Sundale Country Club!

Sincerely,
Sharon

SHARON'S CORNER

As daylight savings time has now passed, we hope that you can make time to play! The course is looking nice and this is when the greens at Sundale are looking good so please come and see us soon! We just finished overseeding the green banks and approaches. It is imperative that you stay off these areas until they grow in. Please! These are the only areas that we could afford to overseed so help your club and keep off these areas. Thank you! Thank you!

We are going to be doing some projects on the golf course. If you read my dad's column, you can find out what he has planned. Sorry about the inconvenience during your play, but we hope you will appreciate the improvements!

In the clubroom, you will see that we are introducing a drink special and lunch special on a daily basis just for fun! So come and find out what we are doing everyday to show you all a good time! You have to come daily to see what we are doing so c'mon out and have some fun! We are serving food until 2pm on the weekdays and until 4pm on the weekends. **We have HAPPY HOUR Thursdays and Fridays 3:30-5:30PM.** So stop by for a drink if you can!

We are going to start playing Texas Holdem in the clubroom on Friday nights at 6pm. Please call us at 831-4674 so we can put your name on the list! We hope to have the first poker night on November 13th so if you are interested, please give us a call!

Boy! Are we an active golf club or what? We have some of the most enthusiastic golfers I have ever seen! If you know anyone who would like to join our club, now is the BEST time to join! **Now through December 31st, we are waiving the initiation fee for anyone joining the club! So get on board the Sundale train now to get the best value!**

Looking forward, we are planning a wonderful **Holiday Dinner in the Tavern** for our members on December 5th, the night before our **Christmas tournament**. Please look out for our signs. SUPERINTENDENT'S MESSAGE...

Our greens are almost recovering to the normal speed and the tees are coming back. We finished winter rye seeding for the approaches and green banks.

Because of heavy watering around the green banks, many of the bunkers around the greens hold water, so please move the ball to play and sorry about the inconvenience.

As soon as the grass germinates, we will slow down the watering. At the same time, we are trying to improve the drainage of the bunkers holding water.

Also, we are going to work on the tees to improve the playing surface, such as #11 men's tee. As usual, we are planning to trim some trees as a winter project. Nice cool weather is here, so I hope you will come out and enjoy your rounds more often

Best Regards,
Y. Ohr
